Traditional Potato Cakes (Product Code: PCS S1)

Simple. Honest. Timeless. Our **Traditional Potato Cakes** bring back the flavours of the classic corner shop experience, where a hot fritter wrapped in paper meant lunch was sorted. Made with **quality Australian potatoes** and coated in a light, golden batter, these potato cakes strike the perfect balance between crispy edges and soft, comforting centers.

With every bite, they honour a no-fuss food heritage built on taste, consistency, and tradition. Ideal for high-volume service, they're made to hold up, stack well, and deliver that familiar crunch customers know and love.
